 3 LandWell Company, L.P., Counter-defendant Basic Water Company, Inc., Counter-defendant Basic
 4 Remediation Company, LLC, Counter-defendant Basic Management Inc., and Counter-defendant
 5 United States of America, by and through their undersigned counsel,¹ hereby stipulate and agree,
 6 subject to this Court's approval, to extend the deadlines to file responses to the Basic Water parties'
 7 pending dispositive motions by another 14 days, or from their current deadline of November 2, 2021,
 8 to November 16, 2021. The motions at issue are the Motion to Dismiss Third Amended
 9 Counterclaims for Business Disparagement, Trade Libel, Tortious Interference with Contract, and
 10 Civil Conspiracy (ECF No. 4), Motion for Partial Summary Judgment (Liability) for Trespass and
 11 Nuisance (ECF No. 5), and Motion for Partial Summary Judgment on South West Enterprise
 12 Holdings, LLC's Counterclaim for Slander of Title (First Counterclaim for Relief) (ECF No. 9).
 13 This is the third request to extend these deadlines.

14 As set forth below, good cause exists to extend the above-referenced deadlines. Presently
 15 before this Court are three dispositive motions filed by the Basic Water parties. In order to
 16 streamline briefing on the dispositive motions, the parties previously agreed to consolidate the
 17 response deadlines to the same date, or to October 12, 2021, which this Court allowed. (ECF No.
 18 13.) Thereafter, the United States indicated an intent to file a motion to dismiss or other request
 19 seeking dismissal with prejudice from this action. Based on the United States' position, South West
 20 believed that additional time to file responses to the pending dispositive motions was prudent to
 21 conserve the parties' and the Court's resources. As such, all parties agreed to extend the response
 22 deadlines to November 2, 2021, which this Court allowed. (ECF No. 17.)

23 On October 15, 2021, the United States filed its Motion to Dismiss asserting sovereign
 24 immunity and that the Quiet Title Act does not apply to this litigation such that "[t]his Court should
 25 dismiss the United States from this action." (ECF No. 19, at 1:12-17.) Responses to the United
 26 States' Motion to Dismiss are due October 29, 2021, and any reply would be due on November 5,
 27

28 ¹ Agreement to this Stipulation shall not be construed as a parties' concession that this Court has
 jurisdiction over this action. The parties expressly reserve their rights to make such argument in any
 motion seeking remand or dismissal.

2021. The United States' Motion to Dismiss concerns jurisdictional issues, thus South West requests that briefing be completed on that Motion to Dismiss before having to address the issues within Basic Water's pending dispositive motions. As such, South West believes another short 14-day extension of the response deadline is appropriate. All parties are in agreement to the extension. This stipulation is submitted in good faith, is not interposed for delay, and is not filed for an improper purpose.

Based on the forgoing, the parties submit that good cause exists to grant this stipulation to extend the deadlines to respond to the above-refenced motions from November 2, 2021, to November 16, 2021.

Dated this 26th day of October, 2021.
